Pizza the action

My wife Davina loves fucking in public.

She never misses a chance to make me jizz in a restaurant so I had high hopes when we went to our local pizzeria.

She was horny even before the garlic bread turned up. She started getting frisky after a glass of wine.

She slipped her shoe off and I felt her naked hot foot fondling my crotch. I got hard fast and in a few moments she was wanking off my rigid prick between her toes till I almost came!

After we had finished our main course, she came and sat next to me.

We snuggled up innocently but under the tablecloth, Davina undid my flies and began to slowly massage my aching prick.

Just as I was wondering where the hell I was going to cum, Davina pretended to drop her knife and enveloped my engorged cock in her mouth.

She shut her lips around my stiffy and started sucking me off. I was sure people knew what was going on but I was nearly there and wasn't going to tell her to stop now.

I blew my load almost immediately. The slurping and swallowing sounds felt really loud as dirty Davina guzzled my cum down.

After that we ignored the stares, paid the bill and went home to finish my wife off properly.

Steve, Suffolk.

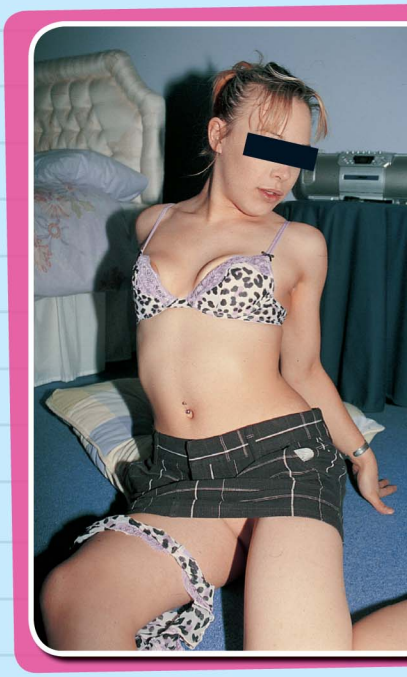
Italian Job

Last year, after university, and looking to sow some oats before settling down, I went inter-railing around Europe.

Travelling overnight on a train between Bari and Brindisi, on my way to catch a ferry to Corfu, I was aware how much more forward Italian men were than British ones. A good-looking guard showed me to my compartment and winked at me as he shut the door behind.



It was nice to get some attention and it put me in a horny mood. I fancied a drink, so I sorted out a sexy little outfit to wear to the bar.

I undressed and stood in front of the mirror, having a good look at myself. If the young guard had found me attractive then maybe I could have some fun on this train.

While I was thinking this, my hands were slowly caressing my tits. I put on a skimpy blouse, a skin-tight skirt and no underwear.

and got on really well.

Afterwards Tony suggested we go back to his compartment, as he had some nice French wine there. It was a tight squeeze but I wasn't complaining.

I had four gorgeous men sexually teasing me and telling me how nice I was. We were all pretty drunk and I was feeling quite brash.

I was extremely randy and could feel my pussy was soaking wet. I wanted them all. I turned to Tony and snogged him.

I ASKED THEM TO FUCK ME ONE AT A TIME UP AGAINST THE DOOR

As he felt my tits one of the others said, "Go on Tony, she wants your cock!" Then I turned round and said, "I want all of your cocks!"

With that I had four naked blokes in front me, all sporting hard-ons. I began with Tony, kneeling in front of him and taking his cock in my mouth.

I sucked him for a while before moving on to the next guy, and so on until I'd sucked them all off. Then I lay on my back and told them to cum on my tits.

I had cum all over my tits, hair and face after they'd showered me. Then I stood up and asked them to fuck me one at a time up against the compartment door.

They fucked me for two hours. It was wild – they grabbed and pawed at me like animals. I felt like a piece of meat being devoured.

Finally we'd all cum so much that we couldn't cum any more. Spunk was running out of my pussy like a river.

That night I replayed the sex over and over in my head. What an incredible journey!

Megan, Surrey.

I decided I was going to find myself a damn good fucking.

I was hoping to see the guard. I imagined him bending me over the bunk and fucking me until his cum dribbled down my thighs.

I wanted to suck his cock till he came all over my tits, then lick my nipples and his bell-end clean.

I went to the bar and ordered a brandy and coke. I scanned the room and saw it was mostly full of men – how lucky I was!

The guy next to me heard my English accent and asked me to join him and his friends. He was a good looking, well-built bloke called Tony, and I accepted his offer.

He introduced me to his friends and we all had a drink and a laugh before going to the dining carriage. We had a great meal and more drink

TRUE BLUE

Testing vibrators and sex toys is a job every woman would love to bag. Sex toy reviewer (and lucky bugger) Mia More enjoys her daily grind...

There are lots of sex toys out there. Fact. Some are amazing, some are total crap. I started sex toy reviewing seven years ago, having decided it was time to sort the wheat from the chaff. It felt like I was providing a (very pleasurable) public service.

Currently, I review toys for sex-positive website Cliterati.co.uk, of which I am Deputy Editor. Using sex toys can help enable a healthy sex life. Healthy sex lives lead to better relationships and ultimately a happier you. All that, just from a vibrator? It's possible!

I've tried it all, from clit vibes to fetish gear, and my husband, Mr Roger More, gets to do all of the men's stuff. There's also loads that we test together, helping to keep our sex life fresh as we invent new ways to play. Using a remote control vibe out in public, for example. Or sticking a suction-base dildo to French doors so you're cheekily showing your arse to the garden while fucking that *and* blowing your man. Instant spit roast!

Having a willing co-tester is certainly a bonus, but it's not like I say: "There's this new toy to test so we must have sex now." Instead we'll just use it if the passion takes us there. Working from home, which both of us do, means we're either fighting or fucking, but ultimately I think sex toys have benefited our relationship.

I have literally hundreds of toys, but there is one toy that has become my all-time favourite: the Eroscillator. It's £170 of ugly plastic, but what makes it amazing is that is oscillates rather than vibrates. Using it on my clit, I was like, this is un-be-liev-able! Designed to mimic finger movements during masturbation, the Eroscillator goes from side to side, rather than going at your clit like a road drill. After testing I was convinced (at least for a while) that I could probably throw all my other clit stims away.

Dildos are another matter and I have the most amazing wooden one in a caterpillar shape. By this I mean it's got waves and ridges all along the shaft, but the best thing is that it was designed to be the same size as my husband's dick! Obviously his cock isn't shaped like a caterpillar, but the measurements are modelled on him. The lower end is an inch less in circumference, as wood is less forgiving than flesh and you might need to work up slowly to the bigger end, which is actually my husband's girth! It's 11 inches of bespoke wooden beauty.

Made to pleasure: Mia's bespoke wooden dildo

"My favourite sex toy of all time has to be the Eroscillator. It's unbelievable on your clit"

Testing all of these toys is great, but sometimes it goes wrong. Just ask the friend that had to come over with a pair of bolt cutters after some metal handcuffs we were trying broke, leaving one of us – I'm not telling who – stuck to the bed in a compromising position. Funny, but uncomfortable!

Finding a place to store them all is an issue too. My favourites stay in two plastic shoe sized boxes next to my bed. The other hundreds that I own reside in four large sex chests. Fair to say, sex toys dominate our house and often my husband has to remind me that: "We don't need another sex toy!"

Over the years we've broken loads of toys through vigorous humping. Actually, this is a really good indication whether it's decent or not. That's why it's important to test a toy more than once and with a partner where possible. Putting it through its paces – the sex toy, not the husband – to make sure it will stand the test of time is vital, especially as some toys cost £100 or more.

Is the toy able to make me horny? Orgasms are an automatic response. If I'm not in the mood, but a toy is able to get me in the mood and work me towards coming, then you know it's going to be good!

What's next for sex toys? Wands and glass dildos are trendy at the moment. I think we'll see more thrusters, like the Fun Factory Stronic Eins and items like the Revel Body which uses ground-breaking motor technology – sound waves – rather than your usual vibrator motor. Keep experimenting and keep exploring: it's certainly the best thing about my job!

Window flicker

My husband and I booked a long weekend at the Travelodge in Scarborough and were delighted to find we had been given a room with a sea view and directly opposite the Grand Hotel.

My heart skipped a beat when we saw the big windows and no blinds. I couldn't wait to get into my gear and do a shoot.

After we'd unpacked, I went into the bathroom to get ready while Phil set up the camera. I was shaking with excitement as I walked into the room in just my T-shirt, stockings and suspenders.

Phil got me to lie on the bed first and start posing. Soon I noticed a guy looking in from the hotel opposite peering over at us. Phil said that we would do some horny poses in front of the window: of course I was really up for it.

I realised with a thrill that anyone in the street could see. And I noticed that several people in the hotel were also watching us with interest. I was so excited that after only a few snaps, I was begging Phil to fuck me. He pushed me up against the wall next to the window and shagged me stood up right in full view and I came within seconds and Phil was not far behind and then we just collapsed in a heap on the floor.

That night we planned to do more pics once it got dark and leave the curtains open with all the lights on. First we went across to the Grand Hotel for a few drinks.

I was wearing my lace top, stockings and suspenders underneath a thin cotton mini-dress which rode up to expose my stocking tops when I crossed my legs.

Phil was at the bar when I noticed two guys starring at me. One of them waved and I realised it was the guy in the room opposite who had seen our photo shoot. When Phil came back with the drinks I told him and he said let's invite them over. I replied why not as they were both good-looking and had fit bodies. The guys were very complimentary and had been very turned on by what they had witnessed, so we asked them if they wanted a repeat performance to which they readily agreed.

So we went back to our hotel while they went to their room and as soon as we saw that they were at the window, I did a slow strip and posed seductively on the bed.

I was so turned on and said to Phil that I wanted a good fucking. To which he replied: "Why don't you fuck those two?" "Oh, yes please," I replied and Phil

waved the two guys over and went down to reception to bring them up. I played with my clit while I was waiting and my love juices were flowing as the guys came into the room.

Phil got between my legs and started to suck my pussy, while Dave and Tony stripped off. When I saw their lovely cocks I came hard on Phil's tongue.

Next they got me on all fours and Dave pushed his big cock slowly up my fanny as Tony put his cock into my willing mouth and they both started to fuck me slowly. Phil got his camera out and started to take pictures of me being spit-roasted.

The sensations were fantastic and before long I was screaming in ecstasy as multiple orgasms flooded my entire body.

It was too much for Dave who suddenly erupted inside me and flooded my pussy with his warm cum. Tony pulled his cock out of my mouth and shot his spunk all over my face and all the time Phil was snapping away with the camera.

While the guys were cleaning up, Phil went down on me and licked my cunt clean of Dave's spunk before shagging me himself and making me cum several more times. I shagged Dave and Tony several more times that

weekend, but the first time was definitely the best. What a great stay in Brighton!

Holly and her exceedingly good tits are having a tea party and she's spared no expense with the French Fancies and Cherry Bakewells. But like most girls she has a short attention span and a ravenous appetite for sex so while waiting for her guests to turn up, even a hunk of Battenberg starts to look like it's up for it. "I fantasise about a load of people turning up and finding me here naked. I'd feel shame, embarrassment... and then overwhelming horniness!"

KIKI

Get your kicks with kinky Kiki – she's a real live wire (although that might not be advisable in the bathroom). We had the neighbours complaining about the amount of water leaking through into their premises after Kiki thrashed around like a captured seal in the tub, rubbing her boobs, stirring her cunt and orgasming all over the shop. Secret sex

When you get a couple like me and my husband who have a very strong sex drive, you get fireworks!

I work as a lab assistant for a well-known pharmaceutical firm. I always take my dildo with me to work because I get so randy I have to have it up me.

Quite often I will rub myself up under the table until I am desperate to have my snatch filled. Then I nip off to the toilets with my dildo and finish myself off properly.

Sometimes when I am working late after work I call my husband Andrew and he talks dirty to me over the phone while I frig myself off. Other times if he's not busy he comes over.

Last time I was working late I had loads of work piled up on my bench but I just couldn't focus on it. My clit was throbbing and I couldn't keep my hands off my pussy.

The lab was empty so I phoned up Andrew and told him I was horny as hell. "Right, get your pussy nice and juicy, I'm coming straight over. I've got a hard-on already!" he said.

I put the phone down and did as I was told, discarding my soaking knickers and stroking my cunt with one leg cocked up on the table. About ten minutes later Andrew rang the buzzer.

I opened the door and practically jumped on him. He wasn't joking about the boner - it was jutting out of his trousers conspicuously. We went into the store cupboard and locked the door behind us.

Andrew immediately pushed me up against the door from behind. He kissed and bit the back of my neck frantically as he wildly pulled my jacket, blouse and bra off.

I pushed myself into him and groaned as he went to work. He threw my clothes on the floor and stripped off my skirt to leave me naked. He bent me over a table and crouched behind me.

I spread my legs and he started to lick my swollen, throbbing pussy. He pushed his tongue inside me as deep as he could, tasting my juices and making me gasp.

I rubbed my tits and tweaked my nipples as he licked me out. My body started trembling as I felt an orgasm building up inside me. I slid a hand down and started rubbing my clit.

I came with a shout and a splash. Andrew lapped up my nectar before standing up and turning me round. His trousers were round his ankles and his hard cock was winking invitingly at me.

I got on my knees and cupped his balls in my hand. I licked and nibbled at them before taking his cock in my mouth. I sucked him off but I didn't want him to cum before he'd filled my cunt.

I bent over the table again and ordered him to fuck me. He slid his cock effortlessly inside my dripping gash and started pumping. I flicked my clit as he shagged me.

I came non-stop for five minutes. Then Andrew flipped me round and decorated my face with ribbons of glorious white jism. Delicious!

Like I said, fireworks!

Jenny, Devon

33-year-old Star Wife Jenny's tits have gotten us into a bit of a twist – as has her confession. "Often I like to blindfold my fella, take him on a drive and find a secluded spot where I'll then shag his brains out till he pumps me full of jizz!"

I Made CONTACT

These are just the latest randy readers to meet and make it big through the pages of Escort Contact.

SARRAH, HULL.
38JJ, 42 years old. Show Us Yours, p. 51. "I want to be fucked by at least two men while my hubby watches and films!"

Just look at those bangers! Sarrah (vol 33 no 1) hasn't lost her appetite for distraction...

WANKING

Remember the little lad from The Snowman who rushes out into the garden at the first sign of the white stuff? Same with Sarrah, who was keen to take two spunky loads from randy readers in her snowy back garden. "It was freezing but hot cum between my tits and in my pussy warmed me up!" she writes.

LOU

You might have thought it was her cracking natural E-cups, but lovely Lou's favourite sexual organ is her mind! "Let me give you an example. For my birthday this year, my boyfriend took me out in the car. We parked up and he blindfolded me and put a restraint bar between my legs so my pussy was splayed open. As he fucked me bandy on the bonnet, he was telling me a crowd of people was watching and wanking. I came so hard thinking I was being displayed in this way but was there anyone even there?"

My husband Mark came home from work and told me his cousin Ian had phoned and that his wife had kicked him out.

He'd asked if he could stay at ours for a few days. I told Mark I'd always wondered what Ian's cock was like. Mark said if he stopped over I might get the chance to find out.

When Ian turned up I opened the door and Ian's eyes fell straight to my ample tits, my nipples standing out, pushing against the thin material of my top. Ian came in and I showed him to his room. On the way upstairs I went in front of him wearing a very short skirt and no knickers so he got a very good look at my split peach.

He commented on how good I looked and I told him he might get a taste of it if Mark was up for it, knowing full well he would be.

Ian came down and sat opposite me while Mark got us drinks. I parted my legs,

£90

I COULDN'T GET MY FINGERS ROUND IT

exposing my wet cunt, and flirted with Ian, saying I never got to see the size of his cock. Mark said that there was no time like the present. With that, I got down on my knees and unzipped Ian's pants, exposing a cock with a massive girth. I couldn't get my fingers round it!

Ian grabbed my head and forced his man-meat down my throat, making me gag. When he pulled out, he roughly pulled my top off, exposing my large sensitive hard nipples. He mauled my tits and had my fanny juicing up, the wetness running down my thigh.

I was desperate to have his cock so he slid three fingers into my little fanny and started to loosen me up. I was quivering as he made my clitoris twitch with his thumb and begged him to stick his fucking cock up my cunt.

He spread my labia with his bulbous head and started to

All nighter

One evening my big-boobed girlfriend Leigh and I met up with two of my mates, Cal and Kevin down the pub.

They were out on the pull, but I was dying to get home because I knew Leigh had shaved her cunt for me and I was desperate to get my chops around it.

I decided to invite my mates back to our house for some more drinks.

So us three blokes and Leigh piled into a cab. I noticed Leigh couldn't keep her eyes off Kevin's bulging crotch. I knew what the horny bitch was thinking.

Back at the house I left Leigh sitting between Cal and Kevin as I went to get the drinks. By the time I returned, the horny slut had already unleashed Kevin's big cock.

She was sucking it like a choc ice. Her lovely arse was facing Cal, who reached up her mini-skirt and tugged at her flimsy knickers.

In no time at all he had stripped her naked. Then she turned to Cal and started sucking his cock. Andy wasted no time getting in behind her.

He parted her legs and pushed his cock inside her dripping wet cunt. She let out a scream of pleasure as his cock rammed in and out of her.

LEIGH, DONCASTER

I decided to get in on the act, telling Leigh to lie down on the floor. Cal swapped with Andy and shoved his cock up Leigh while I stuck my dick in her mouth.

She immediately began sucking and licking and then, with one hand, reached out and began wanking Kevin off furiously.

It wasn't long before Cal was firing his spunk up her hot pussy and as she moaned in pleasure I felt even hornier. I couldn't hold back any longer and released my cream into her mouth.

She lapped up every drop. Then Andy, feeling a little left out, muscled in and put Pam in the doggy-style position. He squeezed his cock up her tight arsehole.

She was moaning like a good 'un and as Andy rode her arse Cal began sucking on her big tits. A few moments later Andy shot his load all over Leigh's arse.

Cal then shoved his fingers up her cunt and played with her tits until she was pouring pussy juice over his sweaty palm.

I knew she wanted more, and sure enough she soon came over to ask if they'd

inch his man-meat up my tight little wet pussy.

He stretched me wider than any man had done before, making me whimper as he stretched my cunt out all the time.

Mark was telling him to fuck me like a little bitch while wanking his cock.

Ian was pounding my cunt like a mad man and I was frigging my clit with my fingers. My pussy started to spasm as my orgasm rushed through my body, making me squirt.

Mark told Ian to fuck his dirty little slut's fanny and Ian forced his hard cock deeper up me till he twitched. I felt him start to fire his load deep into my well-abused little fanny. When he pulled out I just wanted to collapse but Mark was there with his cock, pushing Ian's spunk back into my well-used cunt. It had certainly been stretched to its limit and milked their cocks of all their spunk.

We all ended up in bed together and I was woken three more times that night to have their cocks forced up my sore and abused little fanny.

Ian stayed with us for a week and fucked and stretched my fanny so that now I can easily take four fingers of a mans hand, up to his knuckles. Mark has been complaining that Ian has fucked up his wife's tight little cunt up!

HE PLAYED WITH HER TITS TILL SHE POURED JUICE INTO HIS PALM

double fuck her.

Would they ever! She had one cock up her cunt and one up her arse and she was going like a fucking rocking horse. She was loving every minute of it.

I stood in front of her wanking like mad and, when the boys had cum, I spunked all over her face.

I lost count of the number of times we bonked her that night till 7am. She still thanks me for the best fucking session ever.

Mark, Doncaster.

DONNA, SOMERSET

At a club, on the pull, I ran into a gorgeous girl with bright blonde hair and a curvy pear-shape (just how I like them).

I could see her stockings peeping out from below her tiny skirt. I decided right then that I had to fuck her. I went up to the bar next to her and asked if I could buy her a drink. Saying nothing, she led me outside and bundled me into a taxi.

She'd hardly shut the door and she had her hand on my cock. It was already rock hard and it sprang out when she undid my jeans. She started to run her tongue up and down my shaft before clamping her mouth round my bell-end and sucking like mad.

She'd obviously done it before – it was incredible. It was so good that after a few seconds I fired jets of hot cum into her mouth. Moments later she rose and smacked her lips. She'd swallowed every drop of my cum and licked my cock clean.

Back at her place she wasted no time. She sat on the sofa with her legs spread in the air. She beckoned me over with one finger and said, "You're going to lick my cunt!" Forward tart, I thought, gratefully.

I eagerly began to lap at her soaking cunt, and she moaned loudly. She grasped the back of my head and buried my face in her cunt. I kept on licking and soon she bucked and screamed as she had the first of many massive orgasms.

I SPENT THE NIGHT HAMMERING MY COCK INTO HER HOLES

£60

I spent the rest of the night hammering my cock into all of her lovely holes. She wanted to do everything, including taking photos. She was insatiable and had me fucking all night.

The next day I was totally knackered and very sore, but believe me it was worth it!
